

KIERON THOMAS

REACT DEVELOPER

I am junior front-end react developer seeking a full-time position in the field of software engineering and web development, where I can apply my knowledge and skills for continuous improvement.

PORTFOLIO

GITHUB

SKILLS

- HTML/CSS/JS
- ReactJS
- State/Data Management (Redux, Tanstack Query)
- Styling and UI Libraries (Tailwind, MUI, NextUI)
- NodeJS

EDUCATION

BIOMEDICAL SCIENCE

1st Class Honours - Bachelor of Science
Teesside University | 2018 - 2022

PROJECTS

NEXUS

Blog Application

Developed Nexus Blog application using React, TypeScript, Tailwind CSS, NextUI, Tanstack Query, and Vite. Integrated Appwrite for user authentication, database management, and secure storage. Demonstrated proficiency in modern technologies, ensuring a secure environment for user-driven content creation and management.

QUIZMANIA

Quiz App

Quizmania is a React project developed with Vite, offering quizzes from the Open Trivia DB API. It uses React Query for data fetching, Context API for managing quiz options, and Tailwind CSS for stylish design. NextUI components enhance the UI with pre-built elements like buttons.

CRYPTOCURRENCY CONVERTER

Created a cryptocurrency converter and news aggregator app utilising the Alpha Vantage API. Facilitated seamless currency conversions between cryptocurrencies, offering real-time exchange rates and insights into value changes. Integrated a curated news feed with headlines and summaries, tailored for users tracking crypto trends.

WORK EXPERIENCE

COVID TESTER

2021.07 - 2021.09 - Blue Arrow

Conducted precise PCR tests during the pandemic, communicated effectively with the public, collaborated seamlessly within a team for safe testing, and **transitioned to university commitments.**

SALES ASSISTANT - CHRISTMAS PERIOD

2020.12 - 2021.01 - JD Sports

Streamlined sales floor inventory, provided knowledgeable product recommendations, and resolved customer issues promptly to ensure positive experiences.

CREW MEMBER

2019.04 - 2019.05 - McDonald's

Upheld cash handling protocols, communicated effectively with customers and staff, and ensured a clean, organised workspace for everyone, before **transitioning due to exam priorities.**
