PROFILE

Passionate and determined Front-End Developer with extensive experience in HTML, CSS, Javascript, Typescript and more. Specialising in React as a Front-End Framework, looking for opportunities to expand my skills and knowledge and contribute to a passionate team to provide high quality services.

PROJECTS

Nexus

Blog Application

Developed Nexus Blog application using **React**, **TypeScript**, **Tailwind CSS**, **NextUI**, **Tanstack Query**, and **Vite**. Integrated **Appwrite** for user authentication, database management, and secure storage. Demonstrated proficiency in modern technologies, ensuring a secure environment for user-driven content creation and management.

Quizmania

Quiz Application

Quizmania is a React project developed with **Vite**, offering quizzes from the **Open Trivia DB API**. It uses React Query for data fetching, **Context API** for managing quiz options, and **Tailwind CSS** for stylish design. NextUI components enhance the UI with pre-built elements like buttons.

TRAVEL

2023.04 - 2024.01 - **Post Graduation**

Undertook a year-long trip across Europe and Australia, for the purpose of exploring different cultures and gain clarity on future aspirations. Focused on planning, organisation, and financial management while navigating travel responsibilities and visiting family members .

WORK EXPERIENCE

Covid Tester

2021.07 - 2021.09 - **Blue Arrow**

Conducted precise PCR tests during the pandemic, communicated effectively with the public, collaborated seamlessly within a team for safe testing.
Left for University commitments.

Volunteer

2022.04 - 2022.06 - **Tapi Carpets**

Assisted with warehouse operations including inventory checks, stock organization, and stock taking to optimize carpet and flooring inventory management at Tapi Carpets. Also provided customer support by offering product information, assisting with selections, and addressing inquiries promptly to enhance overall store operations.

Sales Assistant - Christmas Period

2020.12 - 2021.01 - **JD Sports**

Streamlined sales floor inventory, provided knowledgeable product recommendations, and resolved customer issues promptly to ensure positive experiences.

Crew Member

2019.04 - 2019.05 - **McDonald's**

Upheld cash handling protocols, communicated effectively with customers and staff, and ensured a clean, organised workspace for everyone, before t**ransitioning due to exam priorities.**
